

# BSC Portland Winter Academy

## Winter Academy Information & Fees

BSC Portland is offering our Winter Academy for all players in the U9-U14 age groups. Academy session will include activities focused around ball control (dribbling, passing, receiving, etc). Helping each player improve his/her ability with the soccer ball. As players become more comfortable with the ball it will allow each player to start learning the tactical side of the game.

Other areas of focus will be on communicating & organizing as a team, team shape (offensively and defensively), learning how to read the game (understanding what your opponent is doing and finding the advantage), and much much more.

The Winter Academy uses a Punch Card System for all training sessions. The punch cards are good for any Academy program offered by the club (Development Academy, Strikers Academy, Winter Academy). Cards are good for an entire year from the date of purchase. The club does not expect players to attend every session, but it is certainly welcome for those who desire it.
