

BSC Portland

U9 & U10 Development Academy

BSC Portland offers a year round Soccer Academy for all U9 & U10 players (usually 3rd and 4th grade). Training will focus on technical work and small group play that will help players transition from Recreational Soccer to Classic Soccer. All training sessions will be coached by United States Soccer Federation (USSF) Professional Coaches.

Development Academy Information & Fees

The Development Academy uses a Punch Card System for all training sessions. Each card is worth 10 training sessions and is good for an entire year from the date of purchase. Players will receive their punch card after they have registered and paid for the Development Academy. You will need to bring a copy of the receipt to training and then a card will be given at the field. Punch cards are also good for the BSCP Winter Academy (Nov-Feb) when the Development Academy is not running (check the website for details regarding Winter Academy). The club does not expect players to attend everything offered within the Development Academy, but it is certainly welcome for those who desire it.
